Abstract. We prove here that, in the sense of Baire categories, most convex bodies possess fixed chords and fixed discs.

Key Words and Phrases: fixed chords, fixed discs, convex bodies, Baire categories.

2010 Mathematics Subject Classification: 52A20, 52A15, 54E52, 54H25, 47H10.

Acknowledgement. The author thanks a referee for his suggestions and for pointing out some errors in the manuscript. Also, the author acknowledges partial support via a grant of the Romanian National Authority for Scientific Research, CNCS - UEFISCDI, project number PN-II-ID-PCE-2011-3-0533.
