

SECOND ORDER DIFFERENTIAL SUBORDINATIONS  
AND SUPERORDINATIONS USING THE DZIOK-SRIVASTAVA  
LINEAR OPERATOR

GEORGIA IRINA OROS and GHEORGHE OROS

**Abstract.** By using the properties of the Dziok-Srivastava linear operator we obtain differential subordinations and superordinations by using functions from class  $A$ .

**MSC 2010.** 30C45, 30A10, 30C80.

**Key words.** Univalent function, differential subordination, differential superordination, Dziok-Srivastava linear operator, analytic function.
